

**Grand Canyon River Raft trip  
with McGraw Milhaven  
August 11-15, 2017**

The main part of your trip including transportation from the Las Vegas airport is with Tour West. We have packaged this together with 1 night in Las Vegas at the Cosmopolitan Hotel.

**YOUR VACATION INCLUDES:**

Scenic flight from Las Vegas to Bar Ten Ranch

1st night lodging with 3 homestyle meals

Activities at the ranch including: horseback riding, volleyball, ranching demonstrations, horseshoes, & a country western program.

Helicopter ride from ranch to river

Sightseeing river trip

Expert guide service

Complete camping equipment (cot, sleeping bag, foam pad, duffel bag, utensils, chair)

Three meals per day, plus snacks

Transfer by bus from Lake Mead to Las Vegas.

1 night at The Cosmopolitan Las Vegas Hotel in city view room. Hotel tax, portorage, breakfast and resort fee is included.

Transfer from hotel to airport next morning (August 15)

**NOT INCLUDED:** Roundtrip airfare, guide gratuities (figure \$125-\$160 per traveler), meals in Las Vegas (other than breakfast), and items of a personal nature.

Southwest Airlines has the only nonstop options between St. Louis and Las Vegas. Their schedules/pricing probably will not be out before the end of the year – we will notify you as soon as it is available.

**The cost for the trip is \$1950 per person based on double occupancy  
in Las Vegas hotel. (\$2094 for a single.)**

Because of the various components of this trip and the fact that we are working with the National Parks, **payments for this trip need to be by cash or check (no credit cards.)** I have set up the following payment schedule to hopefully make this a bit easier for everyone.

\$350 per person first deposit

\$800 per person second deposit

\$800 per person final payment

Due to hold space

Due by February 16

Due by May 1

**Cancellation Penalties:**

From receipt of deposit -61 days prior to trip:	\$350 per person
From 60-31 days prior to trip:	50% of tour cost
From 30 days or less prior to trip:	100% of tour cost

**TRAVEL INSURANCE**

The trip package total includes Travelex Group Choice insurance *excluding* trip cancellation and has a lower trip interruption benefit. It includes:

Trip Delay up to \$1000 per person

Baggage & Personal Effects up to \$1500 per person

Baggage Delay up to \$250 per person

Emergency Medical & Dental Expenses up to \$25,000 per person

Emergency Evacuation & Repatriation up to \$150,000 per person

If you would like to include trip cancellation up to 100% of trip cost (for covered reasons) and increase trip interruption coverage to 150% of trip cost, this can be done for an additional collection.

To cover trip cost between \$1501-\$2000 per person, additional cost is \$112 per person

To cover trip cost between \$2001-\$3000 per person, additional cost is \$162 per person

*I have given both tiers because once you add in airfare, the trip cost would put you in the higher category, so you would pay an additional premium to cover the airfare.*

**If you wish to add the trip cancellation benefit, you must do so at time of deposit.**

**Please see the tour packet from TOUR WEST for details of the itinerary and what to expect.**

**If you want to sign up, there are forms that must be sent in with deposit.**

**\*Deposit & Insurance form – one form can be filled out for both of you together**

**\*Tour West Passenger Information form – EACH PERSON MUST FILL OUT ONE OF THESE**

**\*Tour West Acknowledgement of Risk form – EACH PERSON MUST FILL OUT ONE OF THESE**
