An island of dramatic contrasts, Iceland is a landscape forged by ice and fire. Its volcanic nature is reflected by steaming lava fields and hot pools, while massive glaciers continue to sculpt the mountains and valleys, leaving behind thundering waterfalls and plunging fjords. Travel the "Golden Circle" – an epicenter of natural scenic wonders. Stay overnight in a local fishing village and enjoy a picturesque cruise of the bay. Amazing experiences let you create your own adventure, whether it's a soak in the Blue Lagoon, a whale watching cruise, lava cave hike, or simply admiring the natural wildlife on a stroll along the coastal lava fields. Discover the spectacular landscapes and incredible culture on this small island nation during this fascinating Icelandic journey.
